FAIRFIELD
DOWNTOWN
STATION

KICK-OFF PUBLIC MEETING

FIRST IN A SERIES OF PUBLIC WORKSHOPS
CONTINUING THROUGH WINTER 2018-19

The Fairfield Transit-Oriented Development (TOD) Study will examine the **areas within a convenient walk of the Fairfield Metro Center and Fairfield Downtown train stations** to identify:

- strategic opportunities to encourage new business investment and development around each station area
- the types and forms of development that best support Fairfield's economic and community goals

Join us to share your ideas and questions for consideration during this planning study.
